# After School Care Program

## 1. Introduction

Welcome to the Lloydminster Catholic School Division After School Care Program. Our program offers safe and stimulating childcare right in your child's own school.

## 2. Service Plan Philosophy

Catholic School Mission Statement: We give glory to God by educating children with a caring Catholic community. In God's name we, in the Lloydminster Catholic School Division provide opportunities for students:

- to address their individual needs, interests and gifts.
- to achieve their full potential, with emphasis upon service to others.
- to meet challenges of their life long journey.

We endeavor to meet the needs of individual children, as well as the group as a whole, by offering a nurturing, stimulating environment where children are free to make choices and develop relationships with peers and adults.

The After School Care Program is operated by the Lloydminster Catholic School Division. The Coordinator, Principal, and School Board ensure that the program meets the needs of all involved. Qualified childcare professionals staff the After School Care Program with a staff to child ratio not licensing regulations.
