## Home Based Educational Plan

This **Educational Plan** is to be provided to the Home Based Education Administrator at the start of each school year.

A portfolio shall be developed and kept in accordance with Section 16 of the Home Based Education Program Regulations. This portfolio will remain in the home.

Please share 3-5 examples of student work completed throughout the year and submit with the progress report.

OVERALL FOCUS and plan for the year.

Please provide us with details on how you will plan, educate and assess this students' overall experience in Home Based Education this school year.

This overall focus section may include:

What strengths do you plan to focus on and foster?

What special activities are you planning? What resources are you considering?

How do you plan to assess your child?

What areas may need improvement?

What do you think the highlights of the school year will be?

Any additional comments:
