August 20th, 2020.

Next week we will welcome our staff back to our Schools. Many teachers have already been in schools planning and preparing for the start of school. Each school Principal will be sending a message today about how each school will look this year.

In addition, we have now posted our revised LCSD Reopening Plan which was approved by the Province of Saskatchewan on August 18th, 2020. We invite you to review the updated plan which includes the information on masks, cohorts, staggered entry and other updates. We are thankful to the Province of Saskatchewan for their continued partnership.

Along with today's message from Principals each of our Schools will be posting a School Based Plan on August 26th, 2020. This will provide even more detail on the first day of school and beyond.

For all LCSD parents it is important to consider that:

- If your child is sick, please keep them home and call your school
- Visitors must call ahead for an appointment and will be met at the door by our staff. School doors will be closed to minimize visitor and traffic in our schools.
- LCSD logos and good supervision will guide our students throughout the day.
- There are assigned entrance and exit doors for staff and students.
- There will be clear drop off and pick up Zones for every school.
- Students will be supported to wash their hands, sanitize, and wear a mask in Grades 4-12 and on the bus.

We also invite you to watch our *Prevention with a Purpose* videos:

- Welcome Back to School
- Getting on your Bus

We hope that *Prevention with a Purpose* and our School Principals reaching out to you will provide you the information that you need to understand more about how LCSD schools will be focussing on enhancing safety while ensuring an excellent education for your child. If you have further questions, do not hesitate to get in touch with your school Principal and Vice Principal.

Thank you,

Nigel McCarthy
Director of Education
