Dear Parents,

We want you to know, we are looking forward to talking with you and welcoming your child back to school on September 8th, 2020. Schools will have some new processes in place this fall to put everyone at ease with the new routines. To help teach these routines, we have a gradual return set for our first week of school days. The return dates are:

Last name: A-L on Tuesday, September 8th, 2020.

Last name: M-Z on Wednesday, September 9th, 2020.

Last name: A-L on Thursday, September 10th, 2020.

Last name: M-Z on Friday, September 11th, 2020.

Regular classes for all students begin on September 14th, 2020.

If you are asking ***Should my Child Learn from Home?*** We would encourage you to contact your Principal. We do know that some students will be learning from home this fall and would invite you to pre-register starting today.

LCSD at Home Learning is for families who prefer to begin the year in an online learning environment. Principals will share further information with you including that:

- The LCSD At Home Learning will begin on September 10th, 2020.
- You can opt into LCSD Learn at Home anytime during the September to November 2020 period.
- Once you begin LCSD at Home Learning your child will remain in this mode until November 6th, 2020.
- There will be daily instruction by an LCSD teacher who will support your child.
- Classes for LCSD at Home Learning will combine online contact with assignments and projects to be completed in between sessions with teachers.

We look forward to seeing your children beginning September 8th, 2020. Feel free to contact your school if you wish to book a time to have a walk through or a discussion on the options for schooling this fall.

Thank you,

Nigel McCarthy
Director of Education
