August 18th, 2020.

Dear Parents,

Looking forward to September 8th, 2020 when we will be able to welcome our students back to school. We now know that September 2nd to 4th are days where staff will be in our schools devoting time to working on enhancing a safe learning environment for all.

Today we invite you to look at our **Prevention with a Purpose** videos including:

- Welcome Back to School
- Getting on your Bus

Prevention with a Purpose videos reinforce the messages from the LCSD reopen plan:

- 1) Stay home if you are sick.
- 2) When entering the building, please use the hand sanitizer provided.
- 3) Use physical distancing.
- 4) Please stay to the right when moving through the hallway.
- 5) When using your locker, please wait your turn.
- 6) Be aware of shared resources and ensure that they are disinfected before use.
- 7) Listen to others if they ask for more space.
- 8) Wash your hands regularly

Prevention with a purpose videos on Entering the School, Walking in Hallways, Water Bottle Filling Stations, Bathrooms, Handwashing, Lunch, Recess, Classroom, Sharing, and Gatherings will be coming soon.

We hope you enjoy Prevention with a Purpose. We look forward to keeping you informed with further updates throughout this week.
