Procedure for Providing After School Program Schedules

PURPOSE: To ensure child safety at the end of school day.

1. **PARENTS MUST** submit monthly After School Program schedules to program staff.
 - Either circle the days attending on timesheets or submit a separate calendar indicating when they will be in After School Program to staff.
2. Schedules must be provided to Program staff, by the last day of each month for the following month.
 - If a schedule is not received by the 1st of the month, parents will be charged \$25.00. After that a NO NOTICE of absenteeism rate of 2 hours per day will be charged until a schedule is provided.
3. If parent work schedules are only able to be provided every 2 weeks, you must speak to After School Program staff and make special arrangements to provide schedules in 2 week periods.
4. If your child is scheduled to be in After School Program and there has been a change of plan and won't be in After School Program on a certain day, you **MUST** notify school secretary before 11:25 am for that day. Minimal changes help enable us to keep children safe at all times.
5. If your child is **NOT** scheduled to be in After School Program on a certain day and you need them to join, parents **MUST** contact After School Program staff, through school secretary by 11:25 am to find out if space is available. It is very important to communicate this to secretary, along with After School Program staff, child and teacher to ensure everyone is aware of changes. The more personnel you tell the more likely a missing child incident will not occur.
6. It is the parent's responsibility to ensure After School Program staff has the child's schedule to ensure child safety.
7. In addition, to providing After School Program staff with your schedule, it is good practice for parents with young children to inform teachers when they will be using After School Program. Providing your children with back up plans or tags on backpacks with instructions and phone numbers if a child is missing or lost is also recommended.

NOT ACCEPTABLE WAYS TO COMMUNICATE SCHEDULES

1. It is **NOT ACCEPTABLE** to send note in child's backpack or agenda.
2. It is **NOT ACCEPTABLE** to tell teacher or tell child to tell teacher.
3. It is **NOT ACCEPTABLE** to tell child to tell secretary.
4. It is **NOT ACCEPTABLE** to tell child to tell After School Program staff.
