VALEURS DE HOLY ROSARY
La foi, le soin, le respect, l'intégrité, la responsabilité, le service

1. Student Activities

Student Leadership Council (SLC) – The Student Leadership Council is a body of students working for students. This group is a highly motivated student service group. We offer opportunities for students with a range of skills to enhance their leadership style and benefit the school at the same time.

Athletics and Clubs – Holy Rosary is the home of the Raiders – an emblem our students proudly wear. Numerous provincial banners have been captured by the dedication and teamwork of our Senior Raiders teams. Our Junior Raiders are the backbone of our senior program. Dedicated teachers, community, and parental supporters work many hours with our junior team members developing the skills and attitude necessary for these athletes to achieve their potential. Our practical and applied arts staff work with students to prepare them for Skills Canada competitions, our students are recognized both provincially and nationally each year. There are many staff lead clubs that allow all of our students to work with like minded friends and explore their passion areas.

2. Stewardship

Holy Rosary believes that Christian Service is part of who we are as the people of God. In effort to improve the way we approach the practical aspect of our Christian Ethics program; we have adopted the Stewardship philosophy. Stewardship is using our special gifts that God has given us to do His will in a way to give thanks for the gifts that we have received. By having our students serve **10 hours** with an approved **Charitable or Non-Profit Organization, School or Church**, we believe that serving those in need in our community is making our world a better place.

3. Graduation Policy

Graduation is seen as recognition of the achievement of the grade twelve students each year. It is a privilege that should be rewarded to those grade twelve students who meet the following criteria:

1. To graduate from Holy Rosary High School, a student must be enrolled in all the required areas of study as designated by the Department of Education for a complete Grade 12 standing.
2. Students must also be enrolled in or have completed Catholic Studies 30 and required Stewardship hours and are required to participate in the religious education program of the school. Attendance at all faith celebrations (masses, prayer service and retreat) are mandatory to participate in graduation ceremonies.
3. In Semester Two, students must have a minimum mark of 55% at the midterm of Semester Two in all subjects necessary for complete grade twelve standing from the Department of Education and Holy Rosary High School.
4. Failure to meet this requirement will result in the student being removed from the Graduation list.
5. Must pass all required areas of study.
6. Students must meet the requirements of the school policy on attendance to graduate. Withdrawal from a required class due to irregular attendance will result in the student forfeiting the privilege of participating in graduation activities.
7. Students must have paid all school fees including graduation fees (if applicable) to participate in graduation activities.
8. Students who are enrolled in grade 12 but who do not meet the graduation requirements are eligible to attend the mass, however they will not be eligible to participate in the official commencement exercises.

4. Attendance

LCSD is using SafeArrival for parents to report absences for their children. This convenient system will allow parents to report their child's attendance without having to call the school. Please follow the steps on our website and sign up for SafeArrival. Our office staff can help with any questions or concerns regarding these procedures. *Absence from any class for unexcused reasons may result in disciplinary action. Each student is responsible for all class work missed, regardless of the reason for the absence. After 5 absences in any class regardless of the reason, the school administration may be in contact with the student and parents/guardians.*

If a student misses an exam, that student should be prepared to write the exam upon immediate return to that class, unless prior arrangements with the teacher have been made.

Punctuality:

It is the student's responsibility to be on time for all classes. Habitual tardiness will be considered a discipline issue and dealt with by a school administrator.

Required Leaves During Class Hours:

Parents and students are asked to arrange medical, dental and other appointments outside school hours, if possible. Students who must leave school during class time are required to obtain prior parent/guardian permission. This permission is obtained by a phone call or note to the attendance office. *Students must sign out at the office before leaving the school.*

Extended Leaves:

Parents and students should be aware that absence from classes for whatever reason will adversely affect class success and should be avoided if possible. When extended leaves (i.e. Family Travel of greater than five days) are unavoidable, students and parents must contact the school Administration/classroom teachers, and an education plan must be developed as soon as the need for the leave is realized. It is the parent's responsibility to ensure the education continues and the homework is completed upon the students return.

Illness During the School Day:

Any student who becomes ill during the school day must report to the main office for assistance and/or directions.

Extreme Weather:

Although Lloydminster Catholic Schools will remain open on extremely cold school days, the Catholic school division affirms and supports parent's discretion in keeping their children at home when weather conditions warrant. Parents are asked to contact the school if they choose to keep their children at home.

5. AWARDS AND HONOUR ROLL

At Holy Rosary High School, we take great pride in the achievements of all our students, setting aside special moments to honor students for their successes.

We also present Junior and Senior awards for athletics, extra-curricular activities, Spirit of School and Christian Spirit.

In mid-June, we hold an Extra-curricular Awards Ceremony to honor students who have demonstrated outstanding achievement in a wide variety of extra-curricular programs including athletics, performing arts, major school awards (Catholic Spirit, Spirit of School and Outstanding Leadership) as well as various school clubs.

Students are allowed, and recommended, to leave their cell phone in their locker however if transporting the cell phone in the school the cell phone *must* be in the holder. Students who disrupt the learning environment within this policy will result in further school disciplinary action. Students who require a cellular phone for medical reasons will be required to have the accommodation as listed in AP 316 Medical Health service plan. Students requiring PED for learning accommodations will have it noted on their learning plan or written approval from the principal. These procedures are in place to ensure a positive and collaborative learning environment where the classroom is interruption free.

The use of cell phones within the classroom for instructional purposes will need to be approved by the Principal after collaboration with HRHS Professional Learning teams for grades 9-12.
