- Student ability levels and learning needs
- Discipline events
- Behaviours and incidents observed while at work
- Classroom activities

- 1.9. No person shall disclose such information unless such disclosure is required within the course of employment.
- 1.10. Information covered by this administrative procedure shall include that which is written, unwritten or stored electronically.
- 1.11. Subject to legislation and regulations, any personal or confidential information shall be released only as required in the necessary course of employment and only by those persons authorized to release such information.

1.12. Personal information shall be retained only for such period of time as it is required for the purposes for which it was collected or for a purpose consistent with that original purpose as per AP185 Records Retention and Disposal.

## 2. Employees

- 2.1. An employee shall direct the inquiry for release of information (Local Authority Freedom of Information and Protection of Privacy Access to Information Request Form A) to his/her supervisor.
- 2.2. All personal information collected by the School Division or its employees shall be securely stored to prevent unauthorized access to the personal information.
- 2.3. Employees who collect or use personal information in the course of employment shall follow all procedures established for the storage of such personal information and shall take reasonable precautions to ensure the security of such personal information.
- 2.4. Only those persons requiring access to personal information in order to perform their duties of employment shall be allowed access to that personal information.
- 2.5. All employees will be made aware of this administrative procedure and are expected to adhere to its requirements.
- 2.6. Any employee who knowingly, recklessly or negligently releases or accesses personal or confidential information without appropriate authority may be subject to disciplinary action up to and including termination of employment.

## 3. Volunteers

- 3.1. All volunteers will be made aware of this administrative procedure and are expected to adhere to its requirements.

## 4. Principals

- 4.1. The Principal is the legal authority for releasing student data to families at the school level.
- 4.2. All inquiries regarding the release of information (Local Authority Freedom of Information and Protection of Privacy Information Request Form A) regarding students and staff are to be directed to the Chief Financial Officer.
- 4.3. If necessary, the Principal may consult the Chief Financial Officer.  
Principals shall:
  - 4.3.1. Follow administrative procedures with regards to the storage and exchange of information, including student and employee records.
  - 4.3.2. Only share personal information with those who need to know.
  - 4.3.3. Ensure all information collected is required for a specific purpose.
  - 4.3.4. Ensure that only parents who have either custody or access are entitled to educational information about their child.
  - 4.3.5. Consider the privacy interests of the child before releasing information. Depending on the maturity of the student and the type of information the privacy rights of the student may outweigh disclosure even to a parent or the courts.

## 5. Breach of Privacy

- 5.1. A privacy breach occurs when there is unauthorized collection, use or disclosure of personal information. A privacy breach may be intentional or accidental. If a privacy breach occurs the

complainant shall inform the CFO of the potential/known Breach of Privacy. CFO shall be responsible for the investigation of the breach.

6. Expectation of Privacy

6.1. All employees and students are reminded that they do not have a reasonable expectation of privacy in anything they create, store, send, retrieve, or delete. Computer usage may be traced by site logs, desktop monitoring, and other tracked information. In particular, LCSD reserves the right to access the contents of all files stored on its technology and all information, messages, and other data transmitted through its technology.
