Background

Lloydminster Catholic School Division is dedicated to creating safe, inclusive school environments where every student feels valued, protected, and respected. We strive to create a nurturing environment where all individuals are welcomed and given equal opportunities to learn and thrive.

Procedures

All students have a right to safe washroom and changeroom facilities. Lloydminster Catholic School Division will have a single stall washroom for use by any student or staff member who desires increased privacy. Safe accommodations may include, but are not limited to:

1. Use of a private area within the public area (e.g., room with a door off the corridor; use of a physical education instructor's office);
2. Having a separate changing schedule in the private area (either utilizing the change room before or after the other students);
3. Using a nearby private area (e.g., a nearby washroom);
4. In situations where multiple options exist, school administration will work with the student and parent/guardian (if the student is under the age of 16) to create a changeroom plan.
5. When traveling to schools or facilities outside the school division, supervising staff will ensure students have access to an alternate private changeroom if needed.
